REFRAIN

She's so lovely, so lovely, lovely, lovely;
She's so lovely, so lovely, lovely, lovely.

COUPLET 1

We are so happy there,
That could be else where,
This music so mere,
Ring' in the night, sing' in the heart.

COUPLET 2

Walking through the night,
She's running in my heart,
Changing around all bright,
Just say' to me: "sure you are right?"

Oh my love you have gone away a day,
Gone away? Standing a lonely "just thinking"...
